

Game Basics

Royal Match 21[®] is an optional bonus bet for blackjack that considers your first two cards. If the cards are the same suit or a *Royal Match* (king and queen suited), you win.

Playing The Game

1. To begin each round, make a standard blackjack wager and the optional *Royal Match* wager.
2. The dealer then follows house procedures for blackjack.
3. Once you have two cards, the dealer settles the *Royal Match* wagers. If you have two suited cards, they win according to the payable. If your first two cards are not suited, you lose the *Royal Match* wager.
